**Requirements:**

1. Digital Basic Service including HDTV, is available to Copper Mountain Cable Television customers. Digital Basic billing is in addition to regular cable service billing.
2. A valid credit card (Mastercard or Visa) and Driver's License is required prior to installation in case of damage or loss to District property.
3. Change of service fee, including Digital Basic activation fee is \$15.00.
4. Customers should use a HD television to properly view HD channels.
5. Basic Digital Service requires a set top converter box for each television. Customer is responsible for the care and maintenance of the converter box at all times. The digital box lease rate is included in the basic digital fee and all converter boxes remain the property of the District at all times.
6. Customer must complete a Digital Service Agreement to initiate digital service.
